Snap the motor into one of the trucks, rev it up with power from your Zoomer-Boomer, and you're off! You make it all happen with the Zoomer-Boomer and Zoomer-Boomer Motor, because one motor fits them all!! That's right, with just one Zoomer-Boomer and one motor, you can buy a whole fleet of Zoomer-Boomer trucks.

HERE ARE THE GOOFYS, just four of the twelve fantastic Zoomer-Boomers:

JUNK PILE—Rolls right along, but leaves pieces and parts strewn behind.

ASH CAN—The Can's lid bangs with every turn of the wheel!

QUICK CHANGE—One minute a pick-up truck, next minute a swingin' surf buggy.

HAPPY HYDRANT—With a built-in water pumper, to keep things really "cool"!

All of the Zoomer-Boomers are made of heavy gauge automotive steel, so no matter how much punishment you give 'em, they keep coming back for more. They've got a beautiful polished finish, and the most fantastic designs you've ever seen!

THE BEST BASEBALL GAME CANNOT BE PURCHASED IN A RETAIL STORE!

PITCHING • HITTING • FIELDING • RUNNING • MANAGING

Season after season, STRAT-O-MATIC BASEBALL has been sold to thousands of baseball fans exclusively through the mail. But why, you ask? Each year our baseball game is totally revised to reflect precisely the most up-to-date Major League statistics.

STRAT-O-MATIC offers such a current authentic reproduction of real life baseball and such a wide selection of games and individual team combinations, that it is impossible for a retail store to supply our fans.

In business since 1961, the quality and reliability of STRAT-O-MATIC BASEBALL speaks for itself in the fact that we have continued year after year to sell out all our editions.

In our 1971 edition, STRAT-O-MATIC presents you once again with the finest in baseball realism and entertainment. The hitting, pitching, fielding and base running abilities of 480 Major League players is unbelievably reproduced right from the ball park into your home. Leading average hitters such as Rico Carty and Alex Johnson will be among your own league leaders. Bob Gibson the Cardinal's fine pitcher, will be difficult to hit and will allow few walks and home runs. Wes Parker, Dodger first baseman, will field his position as brilliantly in your game as he does in real life. Without hesitation, we recommend STRAT-O-MATIC BASEBALL'S 1971 Edition to be without equal.

Don't Be Half A Man!

Let Me SHOW How I Can Make You a REAL HE MAN from Head to Toe—in Just 15 Minutes a Day!

ARE YOU:

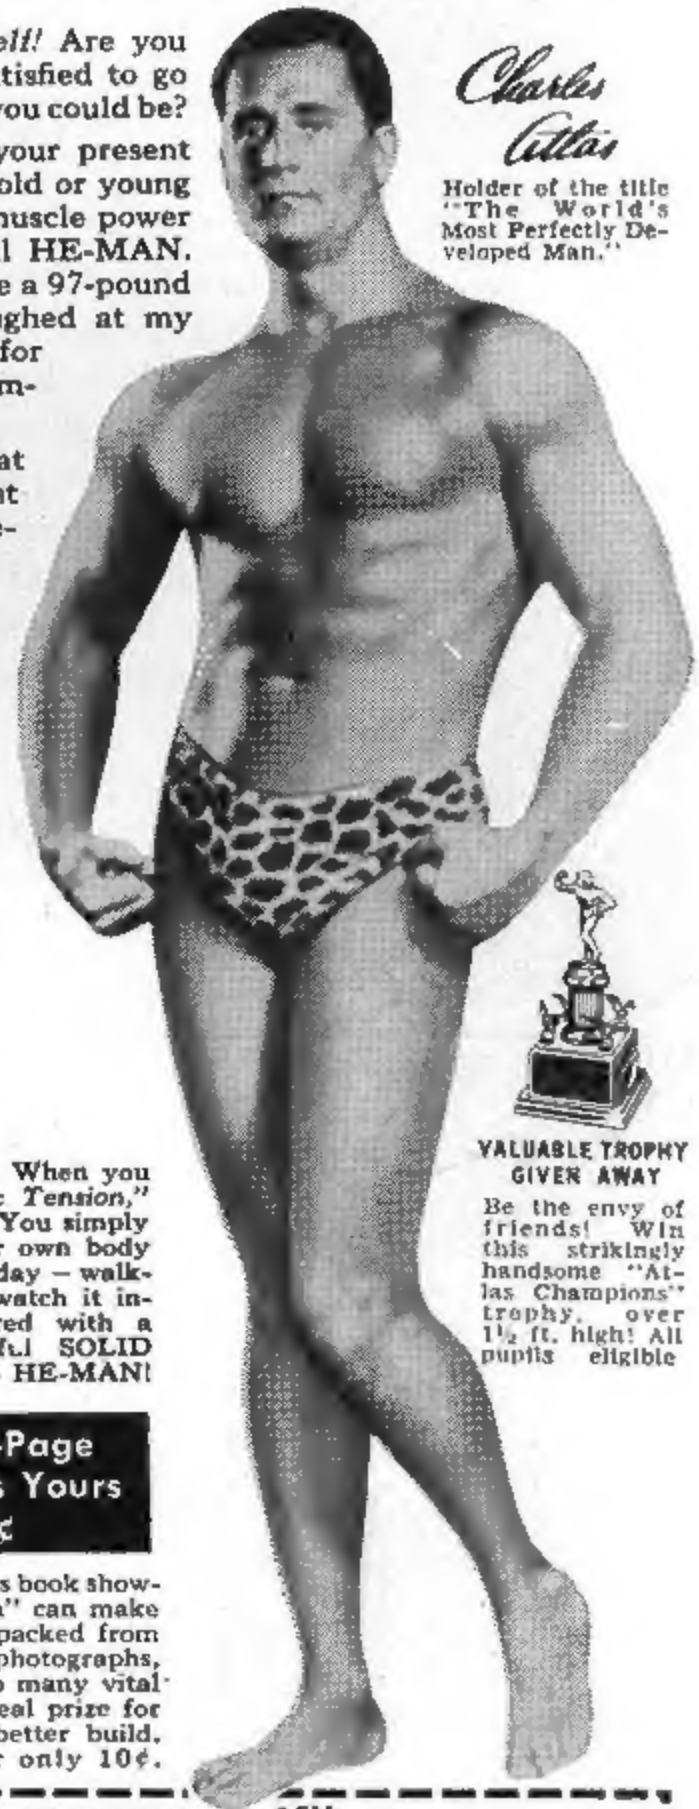
- Skinny and Run Down?
- Always Tired?
- Nervous?
- Shy and Lacking in Confidence?
- Overweight and Short of Breath?
- Lacking in Vim and Vigor?
- Fat or Flabby?
- Slow at Sports?
- Do You Want to Gain Weight?
- Tired of being bullied?
- Ashamed of your Half-Man Build?

NOBODY would ever call an Atlas Champion "Half A Man." They wouldn't dare. And nobody has to settle for "Second Best" . . . . be "pushed around" by huskier fellows . . . or go through life feeling HALF - ALIVE. CHARLES ATLAS, himself, tells you what you can do about it—and FAST —right on this page!

Take a good honest look at yourself! Are you proud of your body or are you satisfied to go through life being just "half the man" you could be?

NO MATTER how ashamed of your present physical condition you may be—how old or young you are—you have the DORMANT muscle power in your God-given body to be a real HE-MAN. Believe me, I know because I was once a 97-pound HALF-ALIVE weakling. People laughed at my build . . . I was ashamed to strip for sports . . . shy of girls . . . afraid of competition.

Then I discovered the secret that changed me into "The World's Most Perfectly Developed Man." The secret I have shared with thousands of fellows to turn them into marvelous physical specimens — REAL HE-MEN from head to toe!



Charles Atlas

Holder of the title "The World's Most Perfectly Developed Man."

My Secret Builds Muscles FAST!

My Secret is *"Dynamic Tension."* It's the NATURAL easy method you can practice right in the privacy of your own room — JUST 15 MINUTES EACH DAY — while your scrawny chest and shoulder muscles swell so big they almost split your coat seams . . . you get sledge hammer fists, a battering ram punch . . . ridges of solid stomach muscle . . . mighty legs that never tire!

NO theory. No gadgets or contraptions. When you develop your strength through *"Dynamic Tension,"* you can laugh at artificial muscle makers. You simply use the SLEEPING muscle-power in your own body almost unconsciously every minute of the day — walking, bending over, even while sitting! — watch it increase, and multiply until you're covered with a brand-new suit of beautiful SOLID MUSCLE. You're a REAL HE-MAN!
